CHAS. N. MEACHAM, Editor

FRIDAY, MARCH 15, 1889.

Gov. Buckner has proclaimed Mar. 30th "Arbor Day" for Kentucky.

Representative Townsend, of the Eighteenth Illinois district, died at Washington Saturday, of pneumonia.

Nine Thousand weavers have gone out on a strike at Fall River, Mass. The labor question seems to be looming up again.

Chas. Scott, Manager of the Lexington Opera House, was fined \$75 last Saturday for indulging in the pleasant little pastime of whipping an editor.

Inspector Miller has made an official report to the Governor that he examined the Treasury March 1st and found it all right. The amount of cash on hand was \$344,408 77.

The Great South, a monthly magazine devoted to the development and advancement of the South, has been started at Memphis by W. C. Paul. Subscription only \$1.00 a year.

Chas. J. Branson, Commonwealth's Attorney of the Bluegrass district, is out as a Democratic candidate for Attorney General. What is the matter with John Rhea for the same office?

A party of five French tourists are reported to have been massacred and robbed by Indians in Yellowstone Park, a few days ago. It is more likely the robbers were outlaws disguised as Indians.

They are still sentencing criminals to be hanged in New York, although the electric current plan of executing them was announced to go into effect Jan. 1. Two murderers have been sentenced to death by hanging since that date.

The Mason-Ford Co., composed of Col. C. E. Hoge, H. P. Mason, S. D. Gooch, W. F. Dandridge, S. B. Mason, John King, J. F. Ford, Wm. Morrow and Wm. Duncan, have leased the Kentucky Penitentiary again for four years from April 1, with the privilege of eight years if they so desire.

The latest report from Samoa is that the German ship Oiga and the American vessel Nipsic fought a battle lately in Samoan waters in which the Nipsic was sunk. The report is not credited in Naval circles. A ship direct from Samoa is due at San Francisco Saturday.

Capt. T. W. Dawson, editor of the Charleston, S. C., News and Courier, was murdered Tuesday by Dr. T. B. McDow. McDow's attention to a Swiss servant girl in Dawson's family were of such a character that the latter called at McDow's office to remonstrate with him about his conduct. They had a fight and Dawson was shot dead.

Louisville was visited by a conflagration Friday, which destroyed more property than any fire the city has had for two years. The "Mammoth" Clothing House, owned by Kilbush & Simpson, was entirely burned and the dry goods house of H. Straus, adjoining, was also seriously damaged. The total loss was about \$435,000, with \$255,000 insurance. Harry Mordt, a salesman, perished in the flames and several other employees had very narrow escapes. Mordt had been to a ball the night before and was taking a nap in the cellar during his dinner hour, and when awakened by the flames every avenue of escape was cut off. A fellow clerk heard his cries for help, but being frightened out of his wits, failed to mention the matter until the fire was over. Mordt was 21 years old and was to have been married in May.

The firing out process has begun. On Monday the President sent these nominations to the Senate: Thomas W. Palmer, of Michigan, to be Minister to Spain.

John F. Swift, of California, to be Minister to Japan.

John D. Washburn, of Massachusetts, Minister to Switzerland.

George Tichenor, of Illinois, to be Assistant Secretary of the Treasury, vice Isaac H. Maynard, resigned.

On Tuesday these followed: Arthur C. Millitt, of Watertown, Dak., to be Governor of Dakota.

Luther B. Richardson, of Grand Forks, Dak., to be Secretary of Dakota.

Cornelius H. Hanford, of Washington Territory, to be Chief Justice of the Supreme Court of the Territory of Washington.

George W. Irvin, of Montana, to be Marshal of the United States for the Territory of Montana.

Samuel U. Claiborne, of Indiana, to be United States Attorney for the District of Indiana.

George S. Batcher, of New York, to be Assistant Secretary of the Treasury, vice H. S. Thompson, resigned.

Albert G. Porter, of Indiana, to be Minister to Spain.

John A. Ender, of Illinois, to be Minister to Denmark.

Clergymen, lawyers, public speakers, singers, and actors, all recognize the virtues of Ayer's Cherry Pectoral. One of our most eminent public men says: "It is the best remedy that can be procured for all affections of the vocal organs, throat and lungs."
